MAYOR ROOP'S MESSAGE

Music on the Main! As I mentioned in the last Town Newsletter, the Council decided to forego the summer concerts this year. A new event this year, "Music on the Main" will take place on Saturday, October 1 from 1:00 p.m. to 7:00 p.m. We will close off the section of Main Street between High Street and Union Bridge Road. My vision for Music on the Main is to showcase our businesses, organizations and churches. We have four bands, several food vendors from local establishments, churches and fire department and many craft vendors. I'm proud to say that I am overwhelmed with the support from the community and the amount of volunteers that have stepped forward to help make this new event a tremendous success.

Dielman Inn Lead Paint Abatement update: The Council approved a bid of $211,000 for the Lead Paint Abatement and painting of the exterior at Dielman Inn. The Town received a $450,000 grant from the Maryland Department of Housing & Community Development to fund this project. This project is projected to start the last part of September and is expected to take eight weeks to complete.

Lagoon remediation is currently underway. The two lagoons that are no longer in operation or needed are being drained and having the sludge removed. This project is expected to be completed by the end of October. Once this project is completed, council will be tasked to come up with ideas for this area. Ball fields, a park with a pond and pavilions have been mentioned as possible future uses of this open space.

We continue working with Maryland State Highway Administration (SHA) officials in working out the details of a Memorandum of Understanding. The Council is very close to finalizing the Town's scope of work and financial plan to fund our responsibilities of the project. Council, Town Manager and I continue working very closely with SHA to ensure our share of the project is reasonable and does not create a financial hardship to the Town and citizens.

Every successful individual knows that his or her achievement depends on a community of persons working together.
Paul Ryan

11:00 PM on Friday & Saturday
10:00 PM Sunday thru Thursday

Fire Siren Update – September 2016

Since the late 1940s the New Windsor Fire Department (NWFD) fire siren has alerted town members and responding volunteers of an emergency in the area. The original siren would blow several up and down cycles signaling the volunteers to the station and letting drivers know that they would soon need to get out of the way of the fire trucks.

In 1983 when the NWFD began to offer emergency medical services (EMS), a new single tone, shorter siren allowed NWFD responders to differentiate between a fire and a medical emergency.

Over the years technology has improved to allow responding volunteers to receive incident notification via voice page or text message. While these technologies are acceptable, there have historically been some reliability issues; however the station siren has always proven a reliable method to notify in-town responders of an incident.

The NWFD began using paid staffing to assist with EMS response in 2001. Today, EMS coverage is provided by rostered paid or volunteer staff twenty-four hours per day, seven days per week, for all 365 days of the year.

As the Department continues to look at ways to be a good neighbor, the NWFD started a trial of not utilizing the station's fire siren on emergency medical calls. This trial began July 15, 2016 and will last 90 days to monitor and measure any operational impact.

After 90 days, the NWFD will re-evaluate the impact of this notification method, and make a determination about how to utilize the fire siren for EMS calls going forward.

Regardless of the decision regarding the use of the siren for EMS calls, it will continue to blow for any fire related emergency where a mass of volunteers is required.

NWFD is pleased and proud to serve the New Windsor and surrounding communities and we are dedicated to providing services that help make our community safe and healthy.

Questions/comments? We would like to hear from you. Contact the NWFD at 410-635-6373 or info@nwfd10.org

Thank you,
Chief Tom Coe

Water/Sewer Bill Reminder!

These rates reflect the October billing

Here are the 2017 fiscal year base rates:

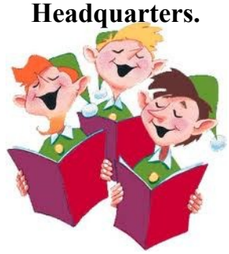
Water
Base Fee: $127.00
Rate per Thousand Gallons: $3.57

Sewer
Base Fee: $79.00
Rate per Thousand Gallons: $7.29

New Windsor is transitioning to a radio read water meter reading system. Most Town residents currently have a small black touch pad on the outside of their house. The conversion to the radio read system consists of installing a four inch by five inch beige box, which contains the radio transponder, over the touch pad. Once installed the water reading will be done remotely. The meter reader will no longer have to come on the property to read the meter. For most properties the installation will only take a minute to two. If you see the beige box to not attempt to remove it as this will damage the unit. A typical installation is show in the picture. If you have any question or concerns please feel free to contact Town Hall at 410-635-6575.

CELEBRATE CHRISTMAS IN NEW WINDSOR!

The Town's 2016 Christmas Tree will be lit by Mayor Neal Roop on Wednesday, December 7, at 6:00 P.M. in the park on Route 75 and Main Street. Let's celebrate the season together with holiday music in the park, and refreshments in the Community Meeting Room at the Carroll County Library Headquarters.



HAPPY BIRTHDAY!

The Mayor and Town Council presented certificates of recognition to the Town of New Windsor Residents for achieving this milestone!

- Jane Cater – 92 years
- Regina Roop – 90 years
- Veronica Erb – 90 years
- William Fleagle – 92 years
- Betty Fritz – 91 years
- Buckey Garver – 93 years
- Rachael Taggart – 95 years

NEW WINDSOR
LEAF CURBSIDE PICK-UP SCHEDULE

The Town will provide public collection of leaves on the street Monday through Thursday beginning the first Monday of November through the first week of December, except during inclement weather and holidays.

The town will not provide public collection of leaves on Veteran's Day or Thanksgiving Day and the Friday after Thanksgiving.

Leaves should be raked into the gutter area in front of your property, NO more than 8 hours ahead of the scheduled pick-up. Leaves should NOT be raked into the gutter during inclement (rain, snow, sleet) weather, as this creates blockage of the storm drainage system. No sticks, cans, plastic or glass bottles shall be swept to the street.

Fore the safety of our equipment and employees, the properties on the South side of Main Street shall rake their leaves to the rear of the property line on Spoerlein Drive and the properties on the North side shall rake their leaves to the rear of the property line on Manning Drive. NO LEAVES WILL BE PICKED UP ON MAIN STREET between the 200 Block and 500 Block of Main Street.

WEEKLY SCHEDULE OF LEAF VACUUMING

MONDAY	Church Street, Lambert Avenue, Maple Avenue, Hillside Drive, and High Street
TUESDAY	College Avenue, Blue Ridge Avenue, North side of Main Street in the Rear on Manning Drive, South side of Main Street in the Rear of Spoerlein Drive, Properties facing Route 75, Main Street—from 100 Block to Church Street
WEDNESDAY	Atlee Ridge Road, Jo Apter Place, Kaylan Court, Kelsey Court, Overleigh Way and Vista Court
THURSDAY	Blue Ridge—Graybill Court, Murphy Court, Miles Court, Clauser Court, Gullo Road, 103—113 Springdale Avenue Corporate limits.

PLEASE NO DIRT, STONES, TRASH OR PET WASTE!

****

BULK TRASH
SATURDAY, OCTOBER 31
8:00 A.M.—1:00 P.M.

Bulk trash is for large items that cannot go with regular trash, with the exceptions of paint cans, concrete, tires and building materials.

We will be accepting computer and electronic recycling.
Acceptable Items: computer monitors, computer speakers, televisions, central processing units (CPU's), mice, keyboards, cell phones, printers, power supplies, laptop's scanners, cables and cords.

Bulk trash must be brought to the Public Works facility located on Geer Lane. Identifications will be required to show that you live within corporate limits.

Snow Emergency Routes

The Town Code states parking is prohibited on designated Town Snow Emergency Routes whenever a Snow Emergency has been declared by the State Highway Administration or the Maryland State Police. Parking is prohibited until the Snow Emergency is lifted and the streets are cleared of snow. The parking prohibition applies to all vehicles including towed vehicles such as trailers and campers. Having the streets clear of parked vehicles during snow events allows the Town crews to clear the snow more quickly and is safe for the Town residents and staff.

New Windsor Snow Emergency Routes

Old Town	Atlee Ridge	Blue Ridge
Blue Ridge Ave	Atlee Ridge Road	Clauser Court
Church Street	Jo Apter Place	Graybill Court
College Ave	Kaylan Court	Gullo Road
Lambert Ave	Kelsey Court	Miles Court
Hillside Drive	Overleigh Way	Murphy Court
Main Street	Vista Court	
Maple Ave		
Water Street		

Additional information and updates will be provided on the Town Website and Facebook Page.

Park cars in driveways: Parking cars in the driveway will allow snow plows to clear the snow more quickly, get streets plowed as wide as possible and avoid the possibility of damaging cars.

Shovel snow to the left side of driveway: Shovel snow to the left as you face it from the street. Make sure snow is behind the curb. This will reduce the possibility of the snow plows pushing the snow back into your driveway.

Shovel snow behind the curb: When clearing around your mailbox or car shovel the snow behind the curb. NOT INTO THE STREET. This will prevent the snow plows from pushing the snow back into your driveway or against your car or mailbox.

Clear sidewalks within 24 hours of the end of the snow: Clearing the sidewalks is the responsibility of the property owner. Town code requires the sidewalks to be cleared within 24 hours of the end of the snow.

Let's Get In The Holiday Spirit!!
